ESD Anti-Slip Mat (STMA-ASM)

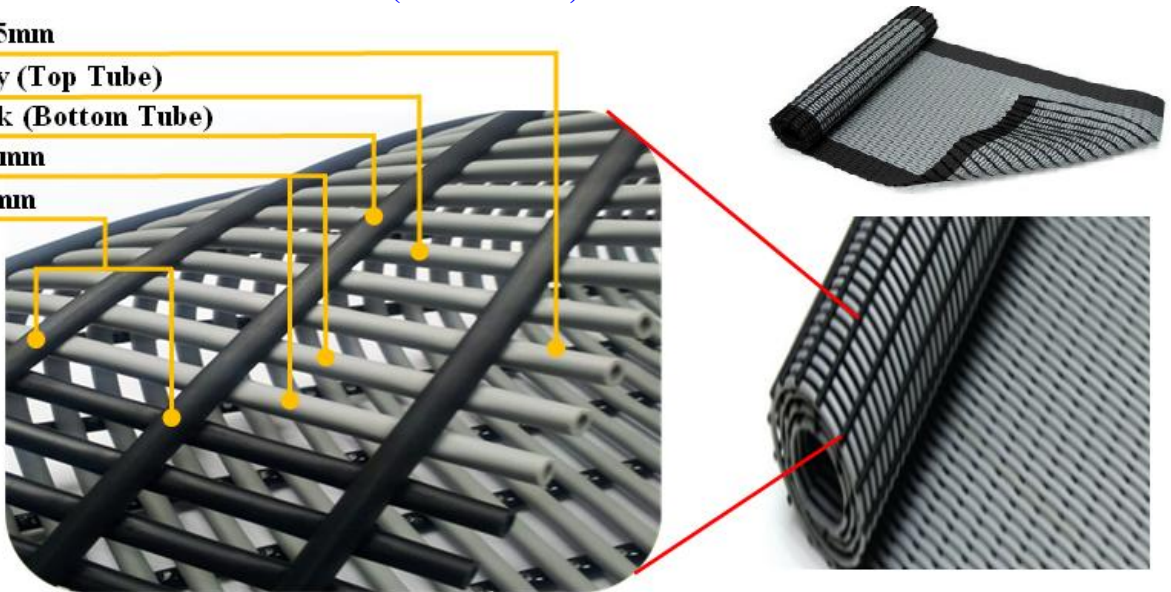

Diameter: 7.5mm

Colour: Grey (Top Tube)

Colour: Black (Bottom Tube)

Distance: 6.5mm

Distance: 30mm

The ESD Anti-Slip Mat is designed and manufactured from extremely strong and hard wearing non-toxic food grade PVC (RoHS compliant). It provides ESD type (Homogeneous static range: 10^9 - 10^{11}) for work places, necessary to keep antistatic environment.

It also has slip resistance and anti-fatigue function to workers while working in a standing position in all type of manufacturing environments where comfort and safety are priorities. The open grid design allows not only anti-slip function, but also spillage and dirt to fall through so that a safe work environment can be maintained. Also the surface cushion reduces the possibility of breaking tools.

Features:

- Tubular sections fused together
- Excellent slip resistance
- Reduce fatigue from standing on hard floors
- Provides relief from standing on cold floors
- Suitable for the marine environment (including engine room)
- Excellent insulating properties
- Will not rot, splinter or flake
- Impervious most liquids, acids and alkalis
- Made from non-toxic food grade recyclable materials (Cd, Pb, Cr, Hg, PBB, PBDE – Not Detected)
- Easy to cut and shape
- Easy to clean (mat will not bleach with use of Clorax)
- Flame resistant

Properties:

Material:	Polyvinyl chloride (PVC)
Colour:	Grey (ESD); other colours available (without ESD)
Weight:	3.3 ~ 3.4 kg/m ²
Thermal:	-12°C ~ +60°C
Gravity:	1.24
Tensile Strength:	139kg/cm ²
Elongation:	410%
Inflammability:	Self-extinguishing
Roll Sizes:	600mm x 6m or 12m 900mm x 6m or 12m

Advantages:

Excellent anti-slip functionality
Air cushions protect back and joints

Excellent drainage and drying function
Easy to maintain

Can be resized easily with scissor or cutter
Can be recombined with connectors

Can be used semi-permanently
Strong against acids, alkalis and oil

Applications of use:

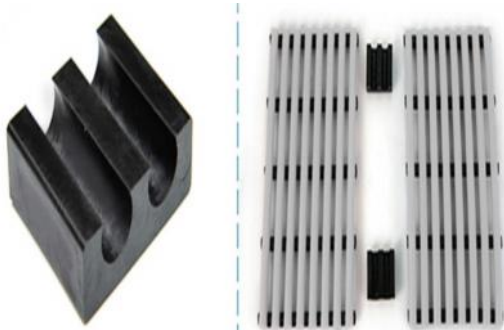

Factory floor & Production Machinery Area

Hospital and Corridors

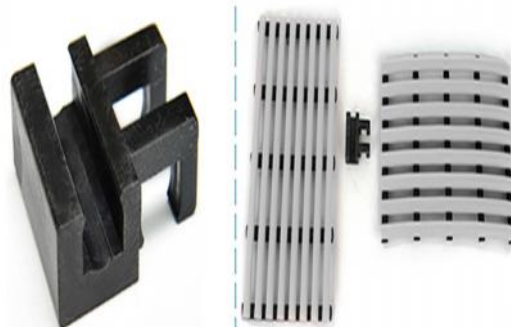

Connectors:

Colour Tube Connector

Black Tube Connector

Cross Tube Connector
