ESD Wrist Strap (STWS-8FT/ECON)

The adjustable wrist strap is an economical and effective way to provide proper grounding of personnel at work. The elastic wristband consists of electrically conductive materials with 7 strands of copper tinsels in the PU coil cord for prolonged durability and performance assurance. The soft and broad elastic band promotes comfort level after long hours of work.

Wrist Band:	High performance elastic conductive cloth woven with conductive fiber.
Coil Cord:	Polyurethane cable (8ft) with 4mm banana jack and alligator clip at one end; Molded 10mm snap stub at the other end; One meg ohm series resistor at snap end for safety
Color:	Sky Blue
Size:	Adjustable and elastic to fit all sizes
Static Discharge time:	0.1 second
Static Discharge time:	10^5
Application:	Electronic assembly lines, Aerospace industry, Automotive industry
